Since 1982

Advertise in The Official Coupon Book of the 2010 Lafayette Art & Wine Festival which will be distributed during this popular 2 day event, September 18th & 19th. This coupon book will be published by The Grapevine.

This year, a map of the wine and beer booths will be printed in the Festival Coupon Book. Attendees at the festival have continually asked for a map when purchasing drink tickets. A map will cause immediate interest in opening the Festival Coupon Book.

The cost per ad is \$399 for Chamber members (Reg. \$499), or take advantage of The Grapevine coupon below for additional savings.

Ten thousand coupon books will be placed in wine and beer glasses and distributed at key Glass and Ticket Booths. Coupon books will be filled with offers from Lafayette Chamber of Commerce members, Festival vendors and other area merchants.

With over 28 years experience in direct mail advertising in the Lamorinda and other Central Contra Costa areas, The Grapevine is ready to assist you with your promotion. Each coupon will consist of business name, logo, specialty, address, website, telephone number and one promotion. Coupons will be valid through November 15, 2010.
